THE SEATTLE SQUEEZE CONTINUES

Visit www.seattle.gov/traffic for the tools and information you need to get around during the #SeattleSqueeze.
Get Informed
1. The #SeattleSqueeze is the period over the next five years where private and public construction projects will put pressure on our transportation system, changing how we all travel through and around Seattle.

2. Plan ahead and give yourself extra time to get to your destination, whether traveling by bike, bus, car, truck, or another mode of transportation.

Get Ready
Thank you for changing your commute during the first two chapters of the Seattle Squeeze. We recommend you make those changes permanent! Here are other tips to help you keep moving.

1. Leave earlier or later and enjoy businesses and attractions in downtown Seattle!

2. Avoid driving if possible. Try a different mode of transportation, such as bus, bicycle, or train.

3. Expect extra travel time, and stay patient and flexible.

4. Tell us your questions and ideas.

5. Visit www.seattle.gov/traffic to stay up to date on all things #SeattleSqueeze.
